

The Tandem Education

- Once a week classroom instruction
- On-campus teachers for high school classes
- TFC instructors for online college courses
- On-campus facilitators for all college courses
- Reduced tutoring fees for all courses
- Community with like-minded families
- Commencement exercises
- A unique track for every teen
- Servant/Leadership events
- Quarterly fellowship opportunities
- Accommodations for LD students

Accountability

TandemEDU offers parents full accountability so you can navigate the high school road confidently and successfully knowing all the academics are covered.

Tandem Partner Accountability

- Teacher grades all high school work
- Facilitator monitors and reviews college work
- Teachers/facilitators report progress to parent
- Transcript and records prepared by TandemEDU
- Annual high school guidance counseling
- Grade monitoring and tutoring referrals
- State DE form completion and submission
- Grammarly Premium student subscription
- Microsoft Office 365 Premium Subscription
- IOWA testing for 9th grade
- Standardized test prep ACT/SAT/PSAT
- Higher GPA due to DE course weighting

Our College Partner

Our higher education partner, Toccoa Falls College, has been glorifying God and developing Christian servant leaders in north Georgia since 1907. Accredited by the Southern Association of Colleges and Schools, TFC courses are transferable in Georgia and nationwide. TFC's unique approach of delivering semester course content in a quarterly format makes the college an excellent fit with the TandemEDU dual degree program.

Application Process

Our streamlined registration process allows students to enroll in TandemEDU and Toccoa Falls College simultaneously. There is no need for a high school transcript, admission portfolio or SAT/ACT/PSAT test scores prior to TandemEDU admission or college admission.

1. Complete the TandemEDU online registration
2. Student automatically enrolled in TFC online
3. Complete Georgia dual enrollment application

Alliance Locations

Interested in bringing TandemEDU to your area?
Alliances are now forming around the state. Launching an alliance requires a facility, a host and 10 students. TandemEDU handles all finances, registration, recordkeeping, training, and staffing. We currently offer alliances in Acworth, Calhoun, Cumming, Jasper, and Rutledge. Contact us today for a host position and receive a generous accountability discount as our thanks!

High School Alliances

Reimagining High School

**Associate of Arts Track
College Prep Track
Career Explorations Track**

GAC Accredited

Our Purpose

Parents are the best teachers for their teens so we work in tandem with parents to develop their teens spiritually, academically and socially. Our progressive dual education approach takes the burden of high school at home off parents while offering motivated students the unique opportunity to graduate with an GAC accredited high school diploma and college credit up to a college degree.

Our Progressive Approach

Early college courses are often a duplication of high school classes. In Georgia, college courses can count as high school classes under Georgia Dual Enrollment which pays tuition, fees, and books for college courses taken in high school. Combining high school diploma guidelines and college degree requirements, TandemEDU is reimagining high school by offering:

- Accredited high school diploma (27+ credits)
- Online courses through Toccoa Falls College
- An Associate of Arts degree from TFC or
- College prep or career explorations track
- An average of 3 classes per quarter
- Peers taking the same classes
- Over 60 transferrable college credits
- Christian worldview woven into academics
- Testing to determine college readiness
- Fellowship in a Christian environment

Tandem First Tier

TandemEDU Tier 1 students are building a strong foundation in English and Algebra, the skills necessary for college, career and life. The year starts with high school classes and then slowly moves into basic college courses. The first college course, World Geography, has historically had a high success rate with TandemEDU students earning a 95% final grade on average.

Weeks 1-8

High School English 10
High School Algebra I
High School Biology Lab

Weeks 9-16

High School English 10
High School Algebra I
High School Biology Lab

Weeks 17-24

High School English 10
High School Algebra I
High School Biology Lab

Weeks 25-32

High School English 10
