

TandemEDU

Reimagining High School

Matriculation

TandemEDU students have been admitted to both private and public postsecondary institutions across the state and nationwide. Our alumni are currently attending the University of Georgia, Georgia Tech, Georgia State, Kennesaw State, Berry College, SCAD, and numerous other Georgia institutions of higher learning. Additionally, our students have been well received at out-of-state institutions like Florida Institute of Technology, University of Alabama, Clemson, and Liberty University. Our students have received tens of thousands of dollars in academic and other scholarships and are participating in college honors programs. Our college-prep curriculum adequately prepares students for the rigors of college and allows most of them to earn the Georgia HOPE Scholarship.

86% of alumni attend 4-year institutions
4% of alumni attend 2-year institutions
10% of alumni take a gap year
98% of graduates are HOPE Scholars
26 college credits completed per student
2,000+ seats in college DE classes
