****It is recommended that college textbooks NOT be purchased until 2 weeks before the class starts. Books could change based on the professor's discretion.**

All College Classes Require the Following

Windows-based computer (laptop ONLY), which includes a USB drive. You will be able to download the most recent version of Microsoft Office 365 for free once the quarter begins. Basic system requirements can be found on the [Notebooks for Students](#) website. We strongly discourage the use of a Chromebook and Mac in college classes.

All College Math Classes Require the Following

T184 Plus Scientific Calculator

Items to be purchased by TandemEDU and provided to the student:

TandemEDU can obtain a significant discount by ordering the following items in bulk. We will pass the savings along to your family. These fees will be included with your first payment in August.
